DIVE UTAH

Aqua Cat

BAHAMAS

OCT 31-NOV 7

HALLOWEEN ON THE CAT!!

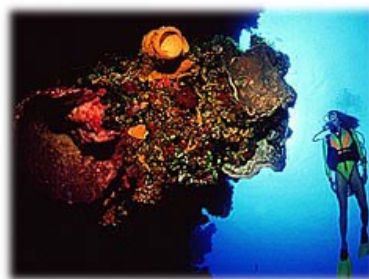

Join **DIVE UTAH** for a week in the Bahamas on the live-aboard catamaran Aqua Cat. We'll explore the remote islands of the Exumas and especially the Exuma Cays Land and Sea Park, the most pristine area in all the Bahamas. Most cruises include a shark feeding dive where you can get up close and personal with several different species of shark. Photographers will find the under water life in the Exumas to be some of the prolific and varied of any coral reef in the world.

With three decks, 22 cabins, a large salon area and private baths and showers, the Aqua Cat is the ultimate in luxury live-aboards. Culinary highlights include contemporary and Bahamian specialties, seafood and fresh fruits and wine service with evening meals.

Our Bahamas trip is the perfect opportunity to complete your Night, Deep, Underwater Photography or Nitrox certifications, both of which can count toward your Master Scuba Diver rating.
